VERSION 1.2

Development

Minecraft Server!

The Development Team has created a new Minecraft Server. It has taken us many days to prepare and it will be released soon. Anyone can join. If you have any questions, don't hesitate to contact an Admin or create a ticket!

Admins

Administration

Head Administration is always looking for the next select few who can make it into the administration team. If you think you are worthy enough and you have the elite skills which our admins currently withhold, make sure you put yourself out there and show us that you want to help! Answering people's questions, helping new members in game or even just being an active and dedicated member.

Other News

NSFW

Recently we have had an issue with people posting insensitive images in Memes channel because it was a 'NSFW' channel. This is incorrect and the NSFW has been removed. Any insensitive posts will be punished!
