

# NEWSLETTER DOJGAMESHQ

VERSION 10.5

## Topic 1

### Priorities

We have been seeing more Shoot outs and 10-80's, and it's constant. Let's try to not do so many 10-80's, Shoot outs, etc.

## Topic 2

### 700+ Members

We were invited to become a Discord Partner and the process is under review. This is a huge achievement because it's a group that only servers over 500+ members can be a part of. With this comes more perks on our end and connections to other communities so our membership should grow even faster. We will be advertised for free on several sites and apps. Thank you ALL for making this community what it is. Our next goal 10,000 members.

## Topic 3

### Civ Department

The Civilian department has said that if you win Most Active or Most Unique Roleplay on the newsletter, you can go 1 civilian structure above your rank for one week.

## Winner for the Most Unique Roleplay: N/A

WHAT SHOULD WE ADD NEXT? Winner for Activity: Ej C.
