

NEWSLETTER DOJGAMESHQ

VERSION 12.2

Topic 1

Jerry LOA

Please be aware that Jerry will be busy with IRL commitments for the next eight weeks, should you need something that would normally involve him please bring it to me. Jerry will have limited contact during these eight weeks and as such no meetings with him will be schedule until he returns. Thank you

Topic 2

Server Outage

As everyone is aware, the server was attacked and it caused some downtime. We have and will be taking further measure to ensure this does not happen again

Topic 3

COC

We can't stress enough how important Chain of Command is. Nobody should be breaking it at any degree. Supervising staff and HA are extremely busy and can not deal with everyone issue at the same time. Follow chain of command, failure to do so will result in punishment.

Winner for the Most Unique Roleplay: Nick S.
