VERSION 12.4

Topic 1

Bullying

You WILL receive either a strike or ban from TeamSpeak if any recordings are played of an individual without their approval. The constant teasing with them and bullying WILL stop. This is getting ridiculous. I would also like to emphasize that when a staff member tells you no, you must follow it. Failure to do so will result in further punishment.

Topic 2

Reminder

No Modding, Trolling, or Mod Menus. (You are using a modification Menu to better assist your gameplay which is unfair to others). Policy Q: Section 6: No exploiting or hacking. This includes AFK farming, abusing in-game bugs, etc. This will result in an immediate ban.

Topic 3

Rules

Policy L Section 2 has been removed. (Recording in ANY TeamSpeak Channel must be approved by the Administration.)

Policy Q Section 33 has been added
