VERSION 2.1

## Development

### Farming Simulator Server

The Community has purchased a new Farming Simulator server. This is to ensure the server becomes an all games server. Farming Sim is fun to play and easy to set up. If you have any questions, don't hesitate to ask!

## Admins

### TeamSpeak

As most of you have seen, the TeamSpeak has had some maintenance over the weekend. This is to reduce the number of channels in there and to keep it clutter free. Please keep it that way. Any changing of it without approval will result in disciplinary actions. If you have any questions, don't hesitate to ask!

## Other News

### Closed Channels

The TeamSpeak holds offices for some users. If you have an office and you are in it, the office **MUST** be open. The only exception is when you are in a meeting or asking someone sensitive information. Offices that are Closed or DND without a valid reason will result in disciplinary actions!

**Winner for the most Unique Roleplay: N.Husky**

**Winner for Activity: Konnar K**
