VERSION 2.1

Roles

Self-Assigning Roles

We have had an issue with people self-assigning roles to themselves in Discord. If you are in a position where you can assign roles, DO NOT. The only exception is department head and their troops. Any roles assigned out of jurisdiction will result in punishments! If you have any questions, don't hesitate to ask.

Important

Chain of Command

We can't stress enough the importance of the Chain of Command (COC). Contacting anyone in HA without consulting Admins or the HR Team will result in disciplinary actions. The reason for this rule is for the fact that HA is extremely busy, even without other questions from people not following COC. If you have any questions, don't hesitate to ask!
