## Whitelist

### Whitelist Patrols

All whitelist patrols are now only every Friday. The Public Server is vital to the community and it allows all members to join and have fun. We will be having a community meeting in roughly 1 week and a half to make sure that everyone agrees with the situation

## Disrespect

### Staff Disrespect

Recently, the staff team have been disrespected by members. The staff team is here for your safety and to ensure that rules do not get broken. Any staff disrespect will not be tolerated and will result in disciplinary actions.

## Development

### Development Tickets

It was an option to create a development ticket when you have any issues in game however, we have a dedicated channel for issues of such nature. Please use that before creating a ticket.
