VERSION 9.2

Bot

## Discord Bot

The DOJGAMESHQ bot has been going offline for a short while. This has happened a couple of times over this week. We apologies for any inconvenience this may have caused you, we are looking for a fix as soon as possible!

Music

## New Loading Music

After a lot of feedback, we have decided to change the loading screen music. All submissions have been sent to Josh T and a community vote will occur shortly. It will last 24 hours, and the winners will be put in game

Tickets

## Increased

We have had an increase in tickets/reports on many individuals. This needs to stop. We are here to have fun and learn, if someone is preventing this or breaking rules, they will be punished. Furthermore, false reports built on you assuming will result in you being punished. We need facts, witnesses or evidence
